St Lucia Electricity Services Limited (LUCELEC) has five Samsung Galaxy tablets up for grabs.

The power company launched a Facebook promotion on Tuesday, November 25, 2014 that will give members of the public an opportunity to win one of these tablets. The promotion is part of continuing activities in observance of LUCELEC's 50th Anniversary.

Interested persons must like the Company's Facebook page and post a picture and brief write up about a moment in their lives they really appreciated the value of electricity.

One winner will be chosen each week. The winning posts will be selected by a combination of scoring by a LUCELEC panel and the most "likes". Each winner will receive a Samsung Galaxy tablet.

The LUCELEC Facebook promotion ends on December 19, 2014.
