St Lucia Electricity Services Limited (LUCELEC) will host its regularly scheduled biennial Shareholder Training on Saturday September 21st, 2013 at the Bay Gardens Inn from 9:00AM to 12:00 noon. The session is open to all Shareholders who may be accompanied by one guest.

LUCELEC undertakes this training every other year for a number of reasons including to encourage the active participation of its shareholders with the company’s business operations. The Training sessions are also aimed at educating shareholders of their rights and obligations.

By extension, LUCELEC for its part believes this promotes good corporate governance, transparency and accountability.

As a publicly listed company LUCELEC takes this undertaking very seriously. The Shareholder Training is also in line with the company’s commitments to the Eastern Caribbean Stock Exchange and the Securities Commission.
