

## **ADDENDUM**

**REQUEST FOR PROPOSAL:** LUCELEC Energy Storage System

**ADDENDUM NO.:** 2

**DATE:** May 20, 2022

### **Questions and Answers**

1. **Question:** Is the participation of a Consortium, Association, Group, or Joint Venture of several companies allowed?  
**Answer:** Yes.
  
2. **Question:** The experience required in the development of similar projects must necessarily be in countries of the Caribbean region?  
**Answer:** Proponents may submit any project experience they deem relevant, however as per section 5.7 of the Request for Proposals, "LUCELEC will give preference to projects installed in the Caribbean and using the same equipment proposed".
  
3. **Question:** Is the participation of companies that have the experience of having developed other types of electrical engineering projects in the Caribbean region allowed?  
**Answer:** Refer to answer for question # 2.
